

Information Sheet for Electrical Inspection Applicants

Electrical inspections for unincorporated Hardin County and Larue County are provided through the Hardin County Planning and Development Commission on the old courthouse square in Elizabethtown, KY - County Government Building, 3rd floor.

Office hours are 8:00 a.m. to 4:30 p.m. Monday – Friday.
Applications can be made at any time during office hours, no appointment necessary.

Electrical inspector is David C. Veirs.
Office hours are 7:00 a.m. – 8:00 a.m. on Mondays, Thursdays and Fridays.
The office is open for visitors and phone calls when Mr. Veirs is in. Mr. Veirs inspects in Hardin County on Mondays, Thursdays and Fridays.

County Ordinance and State Law require that certain documents be provided to the Planning Office at the time of the inspection. Please call the Planning Office for instructions on applying for the electrical inspection and for a list of required documents. The office number is (270) 769-5479. For better service please call as early as possible prior to the inspection date to be certain there is no delay when the inspection becomes ready. When ready inspections must be called in a day ahead to get onto the inspector's list for the following day.

Because of the volume of inspections requested weekly, the inspector has dedicated certain days to certain areas of the county. Mondays are all of Hardin County, no Larue County inspections. Thursdays are reserved for Radcliff, West Point, Vine Grove, Rineyville, and northern and western Hardin County. Fridays are reserved for Larue County and southern and eastern Hardin County.

Inspections for Larue County must be applied for through the Larue County Environmentalist office at 215 E Main, Hodgenville. Please call ahead for their office hours: (270) 358-8665.
