

Information Sheet for Electrical Inspection Applicants

Electrical inspections for unincorporated Hardin County, West Point, Vine Grove, Sonora, Upton and Larue County are provided through the Hardin County Planning and Development Commission located on the 2nd floor, Suite 225 in the Hardin County Government Center, 150 N Provident Way, Elizabethtown, KY.

Office hours are 8:00 a.m. to 4:30 p.m. Monday – Friday.

Applications can be made at any time during office hours, no appointment is necessary.

Our Electrical Inspector is David C. Veirs.

The Inspector's Office hours are 7:00 a.m. – 8:00 a.m. on Mondays, Thursdays and Fridays.

County Ordinances and KY State Law require that certain documents be provided to the Planning & Development Office at the time of the inspection. Please call the Planning & Development Office for instructions on applying for the electrical inspection and for a list of required documents. The office number is (270) 769-5479. For better service please call as early as possible prior to the inspection date to be certain there is no delay when the inspection becomes ready. When ready inspections must be called in a day ahead to get onto the inspector's list for the following day.

Because of the volume of inspections requested weekly, the inspector has dedicated certain days to certain areas of the county. Mondays are all of Hardin County, no Larue County inspections. Thursdays are reserved for West Point, Vine Grove and western Hardin County. Fridays are reserved for Larue County and eastern Hardin County. (See the Map on our website)

Inspections for Larue County can be applied for at the Hardin County Planning Office or the Land of Lincoln Planning and Zoning office located in the Larue County Courthouse, 209 West High Street, Suite 12, Hodgenville, KY. Please call ahead for their office hours: (270) 358-0830.
